Memberships are active immediately. You may visit the Museum using an ID at any time. Each membership comes with one membership card. Membership card and admission passes will be available at the front desk (will not be mailed). If the membership is a gift, CMS will send a gift certificate to either the recipient or the gift giver via mail or via pick up. The recipient will then bring the certificate to the Museum and will then be given their membership card and guest passes.

★ Thank you for becoming a member of the Children’s Museum of Stockton. As a non-profit organization, CMS relies on membership and admission support to continue providing innovative exhibits, outstanding programs and fun learning opportunities for our families. The following policy is intended to prevent any misuse of memberships, which result in loss of revenue and may ultimately cause us to raise prices. Thank you for your support and understanding.

What basic benefits are included in each membership?

- Each membership type includes unlimited free general admission for 2-7 individuals residing in the same household (depending on the membership purchased). Free admission benefits are to be used for general admission and member only events. Not valid for field trip, birthday party or special event admission
- Discounts on birthday parties, facility rentals and workshops (discounts are limited to the primary authorized adult)
 - \$15 off basic party package
 - 10% off basic facility rental package
 - Workshop discounts TBA
- Subscription to our online mailing list and invitation to member only events. Please be sure we have a current email address on file.

If I decide to purchase a membership during my visit to the Museum, can I receive a refund for admission for that day?

- Yes. If you purchase a membership after paying general admission and visiting the Museum, we will issue you a refund for up to the number of individuals included in the membership you purchase.
 - For example: You paid general admission for 4 people = \$24
You would like to purchase an Individual membership for 2 people = \$50
We will refund 2 general admissions = \$12
- Refund of general admission for the purchase of the Membership must be done on the same day as the general admission was paid. Bring the receipt to the front desk, pay for the membership, then you will be issued a refund for the general admission. Membership and admission transactions are recorded separately; therefore this is not a discount of the membership, but a refund of the admission transaction.

When does my membership go into effect? Your membership is active immediately at the time of purchase. Membership cards and guest passes will not be mailed. The packet will be given on the day of purchase or held at the front desk for the next visit. If you should forget your membership, a form of ID may be used for entry.

Authorized Adults: An Authorized Adult is an individual that must be present in order to activate the free or discounted admission associated with the membership. The Primary Authorized Adult will also be able to activate the discounted benefits and email mailing list. **The Secondary Authorized Adult (for general and reciprocal memberships only)** can be a spouse, grandparent, caregiver, babysitter; any adult 18 and over that activate the membership benefits with the primary children included in the membership. Member must show a photo ID each visit. This is another method of eliminating misuse of the membership program.

What if my membership card is lost or stolen? Simply show an ID at the front desk where the membership will be verified in the database. We do not give or sell replacement cards for lost or stolen membership cards. Exception: Replacement cards can be purchased for \$10 if lost or stolen for ACM Reciprocal members, as there is not a national database to confirm the membership at other Museums.

Guest Admission Passes: Guest Admission Passes expire a year from date of membership purchase; no exceptions. No additional guest passes will be given if lost or stolen. Passes may be given to friends or family (may not be used for field trip or birthday party admission or for special events). Member does not need to be present.

May I upgrade or make changes to my membership at anytime?

- Yes. Once you have paid the difference to upgrade the membership or add additional members and have returned the original card, we will give you an updated card at no additional charge. The expiration date will remain the same as the original card.
- To add or change a secondary authorized adult, please contact the front office and return the original card. A \$5 charge for an updated card will apply.

★ I understand and agree to the above stated membership policy. I understand that my membership is non-refundable and non-transferable.
